What: Marking the 20th anniversary of the founding of the journal *Identities: Global Studies in Culture and Power*, past and current editors have worked together to select a range of the most significant contributions from the journal's archive. This virtual **special issue** has been compiled to celebrate the past two decades of a publication that has helped to shape our theoretical and empirical understandings of the changing global, national and local landscapes, flows and connections of the contemporary world.

Editor's choice: click [here](#) for an overview of the editor's choice. **Interested to contribute?** Click [here](#) to learn how to submit your paper. **Contact:** Harriet Payne, Harriet.Payne@tandf.co.uk
