Sustainable Leadership for a better world

Roadmap Sustainable VU 20-25

The current document provides an overview of the targets set for 2021 by the Green Team of the VU. These targets are a part of the underlying Roadmap Sustainable VU 20-25 and the VU Strategy 20-25

Ambitions

- 
Our community is sustainable and we work towards a better world together
- 
Our education contributes to societal issues and teachers are assisted in adopting sustainability in their curriculum
- 
Our research processes are sustainable, we contribute to (local) sustainability challenges and we reward our researchers
- 
Our Knowledge transfer links students to societal problems and our employees practise sustainable Knowledge transfer
- 
Our Organization has integrated sustainability in all its processes
