

VU Online Master's Event

Available study programmes during Online Master's Event

During the Online Master's Event, on December 1 from 03:00 PM to 09:00 PM, the following study programmes will be available on our online platform. Almost every study programme has a video, documentation and a live chat with students and teachers. You can therefore take a look at each programme at any time, when it suits you. If you are registered for the Online Master's event, you can also view the content again after the event. The live chat is only available on December 1 from 3:00 PM - 9:00 PM.
